Inaugural Golf Tournament

What a turnout we had for our Innovation Guild tournament this month! We had over 120 players & volunteers come to this event at the Plateau Club. A big thanks to the Plateau Golf Club for hosting our tournament.

Thank you again to our sponsors Intuitive X, AccelOne, and Seven Ways Consulting. Without their help, we could not have put on such a fantastic event!

We'd like to extend another big thank you to our two special guests, former Washington Governor Gary Locke and Miss Washington USA Mazzy Eckel!

Highlights from the Tournament

Ian Olson won the putting contest

1st place was the Friendly Earth team which was captained by Andrew Shute

2nd place was the IntuitiveX team captained by our very own Jeff Roh

" ... so much of the quality of care at [Seattle] Children's is because of the constant research and innovation that occurs."

- Special Guest Gary Locke

The Seattle Children's Guild Association is the largest all-volunteer fundraising network for any hospital in the nation. We serve as the umbrella organization for all our guilds, and we support their efforts by providing inspiration, fundraising advice, and resources.

Guild Highlight:
Gary Locke
Former Governor of Washington

As the former Governor of Washington, U.S. Secretary of Commerce, and U.S. Ambassador to China, Gary Locke has been a leader in education, employment, trade, health care, human rights, immigration reform, privacy, and the environment. Gary currently serves as the interim president of Bellevue College.

A special thanks to Gary for attending our Inaugural Golf Tournament and sharing his words with the participants.
